

Gorilla (Herman van Bostelen, Lesley Moore & De Designpolitie)

Global Warming is Cool

2007

Exit EU

2013

Europe's External Border

2015

Artists' collective Gorilla creates visual columns. As designers, they believe that social engagement is important. They demonstrate their engagement in simple but captivating illustrations about what is happening in the world. The Daily Gorilla appears regularly in the *Groene Amsterdammer* newspaper.
